CLEVER STORAGE

SPACE FLEXX

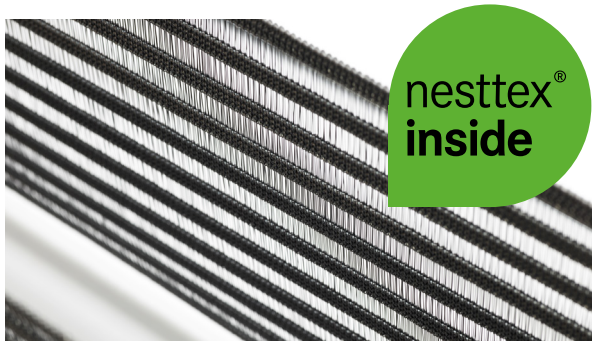
THE FLEXIBLE ORGANISATION SYSTEM FOR STORAGE CONTAINERS AND MORE

KESSEBÖHMER

without SpaceFlexx®

GOODBYE CHAOS! Made possible by the new flexible and elastic divider, nesttex®: chaos in the drawer is a thing of the past!
Never again disorganised storage containers and lots more!

- nesttex®, the flexible divider adjusts itself to the stored goods.
- No more tipping over or falling out.
- Find and reach whatever you need, straight away.
- Optimum overview thanks to transparent viewing zones in the nesttex®.



Only original with nesttex® inside!
The nesttex® divider is based on a special high-tech textile and is made in Germany. nesttex® dividers are, of course, machine washable.
